

Welcome Notes

By Duane E. Trabits

Newsletters have been slowing because there is not much to report. I am looking for any short story, members news or tidbits you want to share with the membership. I am still publishing pictures on the web page of your harvest this year, just send me a photo via e-mail or send me one in the mail and I can scan it in. Please include any information you want published with the photo. (Hunters name, animal weight, points, etc.) If I get any photos, I will make a place on the web page so we can display them.

Rifle Team Notes

By Jim Spelock

The Rifle team has practice every Monday and Team Matches are on Fridays during the fall and winter months. The schedule of the matches is published on the web site.

We are in need of members to shoot on the team, juniors as well as regular members and seniors. Come out and see what is happening and improve your shot before next deer season. You may contact Jim Spelock or Bob King for further information.

Notes from the Kitchen:

After each meeting, a Lunch style meal will be served for everybody. If you are in a hurry and miss Dinner, come to the meeting and you can enjoy a meal with us.

Letter from the President:

By Don Morgan

This year we had a few large expenses and we will not be able to have the turkey giveaway this year. The turkeys would have been over \$400 and we do not have that in the budget. The Gas well income has slowed and we need to budget some income for next year's Kids Fishing Day.

We had the property surveyed and paid the taxes as well as paid \$10,000 to Mrs. Reese for the foundation after the trailer was moved off the property.

The foundation is in good condition and ready for the winter thanks to Gary Rupert and Less Barbieri. We will decide what to do with it in the spring .

There were not enough work parties held this year so we are going to get busy this spring and get caught up. Come to the meetings to see how you can help your club.

We accepted 8 new members this year and we encourage the current members to help them get acquainted.

Do not forget your dues at the November 19th meeting because there is no meeting in December because of Hunting Season.

The Christmas Party has been planned since last year and it will be December 19th for Club Members and Immediate Family Members. A Catered meal will be served at 5:30 and a Magic Show will be at 7:00. There is an RSVP at the bottom of the Newsletter for all to send back.

Steve Endress had ticket sales to benefit a scholarship fund. He would like to have more in the future to help support our children in their future endeavors.
